Water Woman

Spirit

Water woman, water world
Think I'll go down and drown myself
Water woman will live on move
Swim to the bottom and never come up.Water woman and a water child
Living underwater is something wild
Fishes swimming through my hair
Mermaids singing away my care.They want
They want
They want
They want.
Water's the only way
Water's the only way
Call to the fish today
See what he has to say.Water woman and a water child
Living underwater is something wild
Fishes swimming through my hair
Mermaids singing away my care.
Livin' underwater is something wild
Livin' underwater is something wild
Livin' underwater is something wild
Livin' underwater is something wild.
