The Gypsy Cried

The Tammys

I had some trouble with my baby
So I had my fortune read
I had some trouble with my baby
And this is what the gypsy saidThe gypsy cried, she cried
"Gypsy, oh tell me, what is in your crystal ball
Gypsy, oh tell me, will my tears fall?"
She cried, she cried and said"Watch your step, ooh she'll hurt you yet
Oh no no no no no no no
Watch your step, ooh she'll hurt you yet
Oh no no no no no no no""Gypsy, oh tell me, does she want to marry me?
Gypsy, oh tell me, when the wedding's gonna be?"
She cried, she cried"Listen to what the gypsy said
Oh no no no no no no no
Listen to what the gypsy said
Oh no no no no no no no""Gypsy, say it isn't true"
"Watch out, ooh she doesn't love you
Watch out, ooh she doesn't love you"
"Gypsy, say it isn't true"
"Watch out, ooh she doesn't love you"
