

# Take Me Home

[Cher](#)

Take me home  
Take me home  
Want to feel you close to me  
Take me home  
Take me home  
With you is where I wanna be  
Wrapped in your arms tonight  
Just makin' love  
Music and candlelight  
Stars up above  
Take me home  
(Take me home)  
Take me home  
(Take me home)  
Oh can't you see I want you near  
(Can't you see I want you near)  
Take me home  
(Take me home)  
Take me home  
(Take me home)  
Ooh baby, let's get out of here  
I'd follow you anywhere  
Your place or mine  
Just a one night only  
Would be so fine  
I'm in Heaven  
(Heaven)  
Seems like Heaven  
(Heaven)  
So much in Heaven  
(Heaven)  
Take me home  
Take me home  
One night with you  
Lyin' here next to me  
It's the right thing to do  
It would be ecstasy  
I'm in Heaven  
(Heaven)  
Seems like Heaven  
(Heaven)  
So much in Heaven  
(Heaven)  
Take me home  
(Take me home)  
Take me home

(Take me home)  
Ooh, I wanna feel you close to me  
(I wanna feel you close)  
Take me home  
(Take me home)  
Take me home  
(Take me home)  
With you is where I wanna be  
Wrapped in your arms tonight  
Just makin' love  
Music and candlelight  
Stars up above  
I'm in Heaven  
(Heaven)  
Seems like Heaven  
(Heaven)  
(Take me)  
(Take me home, I need you)  
Come on and take me  
Ooh baby, baby take me home  
(Take me)  
(Take me home I need you)  
You'll be lyin' next to me  
Baby it'd be ecstasy  
(Take me)  
(Take me home, home with you)  
Oh, can't you see I want you near  
Baby, baby let's get out of here  
(Take me)
