Beat the Beat

Mari Wilson

La la

If you're very tired and you can't get to sleep
Then all you have to do is beat the beat
Cause you're hyperactive, so attractive
You can beat the beat in me

If you're nervous and you can't sit still

And the only thing you got's a little pill

Then you're counting sheep, the lambs won't bleat

Come here and beat the beat in me

Afternoons in the local zoo, doing things that the monkeys do Every where you meet, beat the beat in me

La la

You've gotta be my wise guy, hope you call my number
If you do then I will come right over
You're so protective, my detective
You can beat the beat in me

Hyperactive, so attractive You can beat the beat in me La la

In my sector, my defector

You can beat the beat in me

Beat the beat the beat
