Easy

Sugababes

Engines running high, baby
Can you come and check it?
Got such a pretty kitty, boy
I know you wanna pet itThe weather's is nice and wet
Just south of the border
I can cook up anything
That you have to orderCome on, baby
I'll make it easy
Come on, honey
I'll make it so easy for youAnything that you want, boy
You know I've got it
Anytime that you need it
You know I'm on itAnd whenever you're gone, boy
I just can't stand it
You just make me lose my mindHey Mr. postman
Where's the mail for my mailbox?
I wanna sex on the beach
And I don't mean on the rocksIt's your serve, baby
But the ball's in my court
I got a landing strip clear
For you at the airportCome on, baby
I'll make it easy
Come on, honey
I'll make it so easy for youAnything that you want, boy
You know I've got it
Anytime that you need it
You know I'm on itAnd whenever you're gone, boy
I just can't stand it
You just make me lose my mindOhhAnything that you want, boy
You know I've got it
Anytime that you need it
You know I'm on itAnything that you want, boy
You know I've got it
Anytime that you need it
You know I'm on itOhhCome on, baby
I'll make it easy
Come on, honey
I'll make it so easy for you
