

Soul Boy

Melanie C

Won't you be my soul boy
Won't you be my soul
There's been no one like you
Trusted and true
I just want to be loved by you
Just want to be really loved by you
Like a soul boy
Won't you be my soul boy
Take me as I am
I've had enough of bad dreams
And one-night-stand baby

I just want to be loved by you (and you'll be strong)
want to be really loved by you
Like a soul boy

Take me as I am boy
Hold me while you can boy
There's not a woman in the world
Who'll love you better than I do
So take me, as I am
Be like a soul boy
Soul boy

I don't want to be with no one else
I don't want to kiss no one else
Won't you be my soul boy
No more fighting and no more leaving
It ain't exciting I quite believing
That you're my soul boy
Soul
