

# This Time

**Jonathan Rhys Meyers**

Advisory - the following lyrics contain explicit language:

Tonight the sky above  
Reminds me of your love,  
Walking through wintertime, when the stars all shine  
The angel on the stairs  
Will tell you I was there  
Under the front porch light  
On the mystery nightIve been sitting, watching life pass from the sidelines  
Been waiting for a dream to seep in through my blinds  
I wondered what might happen if I left this all behind  
Would the wind be at my back  
Could I get you off my mind  
This timeThe neon lights and bars  
And headlights from the cars  
Started a symphony surrounding me  
The things I left behind  
Have melted in my mind  
And now theres a purity inside of meIve been sitting, watching life pass from the sidelines  
Been waiting for a dream to seep in through my blinds  
I wondered what might happen if I left this all behind  
Would the wind be at my back  
Could I get you off my mind  
This timeIve been sitting, watching life pass from the sidelines  
Been waiting for a dream to seep in through my blinds  
I wondered what might happen if I left this all behind  
Would the wind be at my back  
Could I get you off my mind  
This time
