UFO
(A. McDonald/C.Mitchell)
I just don't wanna be lonely
Cause the lights were shining ever so bright
In my hand theres a pulse of my beating heart
I'm biting my tongue there's a plastic man on the telephone
Can you see the bright lights shining I don't know
Can you see the bright light shining, shining....
I saw a UFO but nobody believes me
I was 16 miles from home with nobody in sight
I saw a UFO but nobody believes me
And whats it gonna take to get me back home tonight.Can you see the bright light shining I don't know
Is it a reflection of anyone, the big glow
and tell me this is all good, and you say, I don't know
I'm very, very far from home.
I saw a UFO but nobody believes me
I was 16 miles from home with nobody in sight
I saw a UFO but nobody believes me
And whats it gonna take to get me back home tonight.
Hello, hello, hello, hello, hello, hello...
I saw a UFO but nobdy believes me
I was 16 miles from home with nobody in sight
I saw a UFO but nobody believes me
And whats it gonna take to get me back home tonight.
And what's it gonna take to
And what's it gonna take to
And what's it gonna
And what's it gonna
And what's it gonna take to
And what's it gonna take to
And what's it gonna take to
And what's it gonna take to get me back home tonight.

Woah... tonight.
Woah... tonight.
Woah... tonight, tonight, tonight, tonight, tonight...
