Property Is Condemned

The Triffids

Alcohol, Heroin,
It's all water under the bridge
Left to your own devices
I know you're going to sink like a ship
Property, property, property is condemned
You tell a lie for long enough
And you believe it yourself
Now there's spittle running down your chin
Dozen murders under your belt
Property, property, property is condemned
Men and wowen on their knees
Nothing in their heads
I don't want to hear no tall stories
About what they doing in bed
I don't want a talk, I don't want a chat
I don't want to share a joke with a fink
I don't want a novel or a movie show
Just a pissing in the sink
Property, property, property is condemned
It was written all over your face now junior
You wanted chicken and turkey
Then that then this
The very next minute your bowels went slack
Now it hurts so bad you can't even piss
