

# Circle of Light

Ani DiFranco

standing just outside  
the circle of light  
avoiding the pool cues  
watching the game  
waiting for you  
hanging in the doorway  
like smoke  
like mistletoe  
this is where i'll be  
whenever you come or go i'm gonna roll you over  
gonna peel you back  
expose your tender center  
watch the juices flow from the crack  
gonna peel you out  
of your protective shell  
or i might have to break right in there  
and raise some hell i don't have no grand plan  
for you and me  
just nothing is impossible  
nothing is unlikely  
i'm just riding the tide  
nothing more  
and it's bound to take me out some  
before it brings me back to shore when you look in the mirror  
do you see visions of your past  
i ain't got time for halfway  
i ain't got time for halfassed  
when i look in the mirror  
i see my days to come  
and my face is just a trace  
of where i'm coming from
