

Let It Out

Hoobastank

Yeah This is ours, we made it with our everything
Something real, as real as it could ever be
You gave me all of yourself, I gave you all of me
Now set it free from yourself for everyone to see I'm not afraid to let it out
I'm gonna show you how I feel
I'm not afraid to let it out
Who cares if you don't like it
If you don't like it Go ahead, you know just what you want to do
Don't deny, you feel 'cause I feel it to
Take a look all around, you'll feel it in the air
From the sky to the ground, I feel it everywhere I'm not afraid to let it out
I'm gonna show you how I feel
I'm not afraid to let it out
Who cares if you don't like it I'm not afraid to let it out
I'm gonna show you how I feel
I'm not afraid to let it out, to let it out
Who cares if you don't like it
If you don't like it, if you don't like it Who cares if you don't like it
Who cares if you don't like it
Who cares if you don't like it
Who cares if you don't like it This is ours, we made it with our everything
Something real, as real as it could ever be
You gave me all of yourself, I gave you all of me
Now set it free from yourself for everyone to see I'm not afraid to let it out
I'm gonna show you how I'm free
I'm not afraid to let it out
Who cares if you don't like it I'm not afraid to let it out
I'm gonna show you how I'm free
I'm not afraid to let it out
To let it out, to let it out, to let it out
Who cares if you don't like it
If you don't like it, if you don't like it
