Let It Out

Hoobastank

YeahThis is ours, we made it with our everything

Something real, as real as it could ever be

You gave me all of yourself, I gave you all of me

Now set it free from yourself for everyone to seeI'm not afraid to let it out

I'm gonna show you how I feel

I'm not afraid to let it out

Who cares if you don't like it

If you don't like itGo ahead, you know just what you want to do

Don't deny, you feel 'cause I feel it to

Take a look all around, you'll feel it in the air

From the sky to the ground, I feel it everywhereI'm not afraid to let it out

I'm gonna show you how I feel

I'm not afraid to let it out

Who cares if you don't like itI'm not afraid to let it out

I'm gonna show you how I feel

I'm not afraid to let it out, to let it out

Who cares if you don't like it

If you don't like it, if you don't like itWho cares if you don't like it

Who cares if you don't like it

Who cares if you don't like it

Who cares if you don't like itThis is ours, we made it with our everything Something real, as real as it could ever be

You gave me all of yourself, I gave you all of me

Now set it free from yourself for everyone to seeI'm not afraid to let it out

I'm gonna show you how I'm free

I'm not afraid to let it out

Who cares if you don't like itI'm not afraid to let it out

I'm gonna show you how I'm free

I'm not afraid to let it out

To let it out, to let it out, to let it out

Who cares if you don't like it

If you don't like it, if you don't like it
