

# Youâ€™re Mine

## Disturbed

I've begun to realize  
That whenever I am with you  
You deliver me from the pain in my life  
Easy now to recognize  
All the misery I have been through  
It was beating me to submission  
'Til the day you arrived  
Certainly, I felt alive  
Strength I had lost was revived  
I'm mending inside and we both know why  
'Cause you're mine  
I knew I could be whole if you were mine  
I'll vanquish any foe because you're mine  
Been betrayed too many times  
Didn't think I would ever recover  
That it'd haunt me for the rest of my life  
Then you opened up my eyes  
And you helped me rediscover  
With what you resurrected  
A man who had died  
Your power regave me new life  
Made me reborn and refined  
Rebuilt from inside and we both know why  
'Cause you're mine  
I knew I could be whole if you were mine  
I'll vanquish any foe because you're mine  
I never thought I would ever escape  
At times, I wanted to die  
Feared that it all was just a little too late  
For then, I wouldn't survive  
I let you in and let go of the hate  
My heart recovered now, I  
Owe you a debt that I can never repay  
I still believe 'cause you're mine  
I'm burning inside and we both know why  
'Cause you're mine  
I knew I could be whole if you were mine  
I'll vanquish any foe because you're mine  
I can regain control because you're mine  
I can take over the world because you're mine  
Mine
