The Piano

Royaal

Hit her with a hammer
Teeth smashed in
Red tongues twitching
Look inside a skeleton
My fingers sting
Where I feel your fingers have been
Ghostly fingers
Moving my limbs
Oh God, I miss you
Oh God, I miss you
Oh God, I miss you
Oh God, I miss you
Oh God, I miss you
Daddy?s in the corner
Rattling his keys
Mummy?s in the doorway
Trying to leave
Nobody?s listening
Nobody?s listening
Nobody?s listening
Oh God, I miss you
Oh God, I miss you
Oh God, I miss you
