

The Piano

Royal

Hit her with a hammer
Teeth smashed in
Red tongues twitching
Look inside a skeleton
My fingers sting
Where I feel your fingers have been
Ghostly fingers
Moving my limbs
Oh God, I miss you
Oh God, I miss you
Oh God, I miss you
Oh God, I miss you
Oh God, I miss you
Daddy's in the corner
Rattling his keys
Mummy's in the doorway
Trying to leave
Nobody's listening
Nobody's listening
Nobody's listening
Oh God, I miss you
Oh God, I miss you
Oh God, I miss you
