

Mind Games

Banks

[Verse 1]

I foresee it's true, that you would love me better if I couldn't screw
All your moves that make me wanna run away but I got stuck with faulty legs
I believe it's true that you would screw me if I let you in my bedroom
And if I did then do I try to run away? Cause I know you like mind games[Chorus]

Do I ever have to notice?

I've been standing here and I don't know why

Did you ever even see me try?

Do you-oh-oh, see me now?

Do you-oh-oh, see me now?

Do you-oh-oh, see me now?

See me now, see me now, oh, see me now?

Oh-oh-oh-oh-oh, oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh, oh-oh-oh-oh-oh[Verse 2]

Better look amusing cause my addition to these contradictions make it confusing
And if I walk away I'm scared I will find other musses, cause I know you like olden days
I don't understand, you claim that I'm a handful when you show up all empty handed
The way you say you love me like you've just been reprimanded, cause I know you like mind games[Chorus]

Do I ever have to notice?

I've been standing here and I don't know why

Did you ever even see me try?

Do you-oh-oh, see me now?

Do you-oh-oh, see me now?

Do you-oh-oh, see me now?

See me now, see me now, oh, see me now?

Do you-oh-oh, see me now?

Do you-oh-oh, see me now?

Do you-oh-oh, see me now?

See me now, see me now, see me now?

Oh-oh-oh-oh-oh, oh-oh-oh-oh-oh, oh-oh-oh-oh-oh, oh

Oh-oh-oh-oh-oh, oh-oh-oh-oh-oh, oh-oh-oh-oh-oh, oh

Oh-oh-oh-oh-oh, oh-oh-oh-oh-oh, oh-oh-oh-oh-oh, oh

Oh-oh-oh-oh-oh, oh-oh-oh-oh-oh, oh-oh-oh-oh-oh, oh[Outro]

Do you, oh, oh

Do you, oh, oh

Do you, oh, oh

See me now, see me now, see me now?
