Handcuffed

Brooke Hogan

Oh baby tie me up
cuz Im in love with you
Hancuffed
Tie me up
Cuz I'm in love with youYou got me handcuffed
Locked up cardiac arrest baby
Cuz I'm in love with you
You got me handcuffed
Dont stop tie me up right now baby
That's all I wanna doI've been around just a couple of times
But not enough to know whats really "right"
And I've been hurt just a couple of more
Yes it's happened to me more than twice
So I lost all my hope and I finnaly figured out
Would have to be left on my own
But then you came around and showed me what it's like
To be enforced by love (oh)You got me handcuffed
Locked up cardiac arrest baby
Cuz I'm in love with you
You got me handcuffed
Dont stop tie me up right now baby
That's all I wanna doI'm so releived that I'm finnaly caught
Boy your free to "force me" just so you know
Just tie me up and secure the lock
Please don't ever think of letting me go
So just swallow the key
And neverlettin go of me
And I'll never let go of you
I'm your prisner now
So don't ever let me out
And keep an extra eye on me too (ohh)You got me handcuffed
Locked up cardiac arrest baby
Cuz I'm in love with you
You got me handcuffed
Dont stop tie me up right now baby
That's all I wanna doBaby got your handcuffs
Go head and tie me up
Get out your handcuffs
Go head and tie me up

HandcuffedYou got me handcuffed
Locked up cardiac arrest baby
Cuz I'm in love with you
You got me handcuffed
Dont stop tie me up right now baby
That's all I wanna doBaby got your handcuffs
Go head and tie me up
Get out your handcuffs
Go head and tie me up (locked up)
You got your handcuffs (I'm in love with you)
Go head and tie me up
Don't stop tie me up right now baby
Handcuffs
Get out your handcuffs
