L-O-V-E

Joss Stone

L is for the way you look at me O is for the only one I see V is very, very extraordinary

E is even more than anyone that you adore andLove is all that I can give to you Love is more than just a game for two

Two in love can make it

Take my heart but please don't break it

Love was made for me and youL is for the way you look at me

O is for the only one I see

V is very, very extraordinary

E is even more than anyone that you adore andLove is all that I can give to you Love is more than just a game for two

Two in love can make it

Take my heart but please don't break it

Love was made for me and youLove was made for me and you

Love was made for me and you

Your love was made for me and youLove was made for me and you Love was made for me, for me and you

Love
