Civil Sin

Boy Kill Boy

Here's to the Gods and their seats on high
Nobody knows anything
Here's to the flags in their guilty sky
Nobody says anythingAnd this aside, this coast is clear
It doesn't help, it doesn't help meWho am I? Only one more life that you can owe me
It's civilised, it's civil lies, it's civil sin
Who am I? Only one more lie so you can own me
It's civilised, it's civil lies, it's civil sinHere's to the crown in their Sunday best
Nobody knows anything
Here's to the crowd, slaves who never rest
Nobody says anythingAnd this aside, this coast is clear
Until one man buys the whole show
And this aside, my mind is clear
It doesn't help, it doesn't help meWho am I? Only one more life that you can owe me
It's civilised, it's civil lies, it's civil sin
Who am I? Only one more lie so you can own me
It's civilised, it's civil lies, it's civil sinWho am I? Only one more life that you can owe me
It's civilised, it's civil lies, it's civil sin
Who am I? Only one more lie so you can own me
It's civilised, it's civil lies, it's civil sin
