

Have a Good Time

Rufus

Have a good time, yeah
Have a good time, yeah
Have a good time, yeah
Have a good time, yeah Who said this party's over?
When I feel like my fun has just begun
Together we will raise this roof and party
And have a good time, yeah, have a good time, oh yeah All we need is some funky music
So we can play the part and get way down
Into some rhythm we can groove to
Have a good time, yeah, have a good time, yeah Have a good time, yeah
Have a good time, yeah
Have a good time, yeah
Have a good time, yeah Who said this party's over?
I feel like my fun has just begun
Together we will raise this roof and party
And have a good time, have a good time, yeah All we need is some funky music, yeah
So we can play the part and get way down
Into some rhythm we can groove to
Everybody have a good time, everybody have a good time Everybody have a good time, everybody have a good
time
Everybody have a good time, everybody have a good time
Everybody have a good time, everybody have a good time
Everybody have a good time, everybody have a good time
