My Love

Aswad

My love is warmer than the sunlight
Is warmer than the breath of spring
Oh, my love is sweeter than the cherry tree
Oh baby, won't you come to meThis feelin' I cannot hide
You know I love you so, baby
I will not let you go, no
I need you more and more, darlin'My love is stronger than a magic spell
Oh, baby you sure look swell
Oh, my heart, my heart is beating out a song for you
I hope you feel the same way tooThis feelin' I cannot hide
I love you more and more, darlin'
I will not let you go, no
'Cause I need you more and more, babyMy love is stronger than a magic spell
Oh, baby you sure look swell
Oh, my heart, my heart is beating out a song for you
I hope you feel the same way tooThis feelin' I cannot hide
I really love you so, darlin'
I love you more and more, baby
I'll never let you go, noMy love is warmer than the sunlight
Is warmer than the breath of spring
Oh, my love is sweeter than the cherry tree
Oh baby, won't you come to me
