

# Cotton Fields

## Leadbelly

When I was a little baby  
My mother'd rock me in the cradle  
In them old cotton fields at home  
When I was a little baby  
My mother would rock me in the cradle  
In them old cotton fields at home Oh when them cotton balls get rotten  
You couldn't pick very much cotton  
In them old cotton fields at home  
It was down in Louisiana  
"Just a mile" from Texarkana  
In them old cotton fields at home It may sound a little funny  
But you didn't make very much money  
In them old cotton fields at home  
It may sound a little funny  
But you didn't make very much money  
In them old cotton fields at home Oh when them cotton balls get rotten  
You can't pick very much cotton  
In them old cotton fields at home  
It was down in Louisiana  
"Just a mile" from Texarkana  
In them old cotton fields at home I was poor in Arkansas  
People asked me "What you come here for?"  
In them old cotton fields at home  
I was poor in Arkansas  
People asked me "What you come here for?"  
In them old cotton fields at home Oh when them cotton balls get rotten  
You can't pick very much cotton  
In them old cotton fields at home  
It was down in Louisiana  
"Just a mile" from Texarkana  
In them old cotton fields at home
