

Don't Wake Me

The Black Crowes

"Get Chris in here. Hey Chris! Have you got a minute? What?"

Gonna stop on the dot
Got the ground all shaking
The wink of an eye
See the noose still swinging
Feeling tongue tied
And I'll never stop falling
Waste of my time
And the girls start stalling

Don't wake me up
Don't wake me

Sleep walking dry
Got everybody saking
Make it all right
See the old man coming
The cat in the bag
She gonna start scratching
Jack-knife's fine
The blood mean's nothin' but

Don't wake me up
Don't wake me

Don't wake me up
Don't wake me

Somebody ain't running
Somebody ain't walking
? talking

?

Gun-filing code
And the teeth start scraping
The grave ? doves
And nobody laughing

Live that life
Rolling in the backroom

Thorn stuck in my side
Someone kind of trouble

Don't wake me up
Don't wake me

Don't wake me up
Don't wake me
