# Freak

## Days Of The New

Watch the time, wait for me
Patience is reality
I don't know how it feelsNo, I can't see with your foot in my face
Your foot in my face, your foot in my face
Your foot in my faceNo, I don't know how it feels
I can't decideI can't see with your nose in my business
Your ass in my space
Your life as my problem
Your foot in my faceI won't, I can't, I'm lost, I'm a freak
I won't, I can't, I'm lost, I'm a freak
I won't, I can't, I'm lost, I'm a freak
I won't, I can't, I'm lost, I'm a freakTrust my lie, you will die
I can't succeed now I can't fail
I don't know how it feels
I can't decideI can't see with your nose in my business
Your ass in my space
Your life as my problem
Your foot in my faceI won't, I can't, I'm lost, I'm a freak
I won't, I can't, I'm lost, I'm a freak
I won't, I can't, I'm lost, I'm a freak
I won't, I can't, I'm lost, I'm a freakSearching for things I can't see
Mountains in front of me
No, nothing will conquer my existence
Fear will not discover my brainI won't, I can't, I'm lost, I'm a freak
I won't, I can't, I'm lost, I'm a freak
I won't, I can't, I'm lost, I'm a freak
I'm a freak, I'm a freak, I'm a freak, I'm a freakI'm a freak, I'm a freak, no 'cause I'm a freak yeah
I'm a freak, I'm a freak, no 'cause I'm a freak yeah
I'm a freak, I'm a freakYour foot in my face
Your foot in my face
Your foot in my face, my face
