

# Fine Time of Year

**Mark Erelli**

Take what you want, see to it  
You dust all your memories away  
Cause I can't find the strength to do it  
I can't remember what should go or what should stay But it's a fine time of year to do it  
And it's a fine time of year to let me know  
Yes, it's a fine time of year to watch you disappear  
It's a fine time of year to let me go Well, you got a way with unmarked boxes  
There's something there that you could call your own  
I just can't find a pleasant way to put it  
So I'll just leave it in the closet and be gone But it's a fine time of year to do it  
Yes, it's a fine time of year to let me know  
Well, it's a fine time of year to watch you disappear  
It's a fine time of year to let me go Now there were times back in the day, babe  
We'd pull that all together  
Weather every storm that ever came our way  
Oh, but now here you are  
You're packing boxes and books and dishes  
All your wishes coming true for you today Well, it's a fine time of year to do it  
Well, it's a fine time of year let me know  
Yes, it's a fine time of year to watch you disappear  
It's a fine time of year to let me go  
Well, it's a fine time to watch you disappear  
It's a fine time of year to let me go
