

Hymn

Jars of Clay

Oh refuge of my hardened heart
Oh fast pursuing lover come
As angels dance around Your throne
My life by captured fare You own Not silhouette of trodden faith
Nor death shall not my steps be guide
I'll pirouette upon mine grave
For in your path I'll run and hide Oh gaze of love so melt my pride
That I may in Your house but kneel
And in my brokenness to cry
Spring worship unto Thee When beauty breaks the spell of pain
The bludgeoned heart shall burst in vain
But not when love be pointed King
And truth shall Thee forever reign Oh gaze of love so melt my pride
That I may in Your house but kneel
And in my brokenness to cry
Spring worship unto Thee Sweet Jesus carry me away
From cold of night and dust of day
In ragged hour or salt worn eye
Be my desire, my wellspring lie Oh gaze of love so melt my pride
That I may in Your house but kneel
And in my brokenness to cry
Spring worship unto Thee Oh gaze of love so melt my pride
That I may in Your house but kneel
And in my brokenness to cry
Spring worship unto Thee
Spring worship unto Thee Spring worship unto Thee
