Blue Side Of The Mountain

The SteelDrivers

There's a place in a piney hollow
That no one but me can find
Some Choctaw built it in the hillside
Stone by stone in a simpler timeIt's a holy place, my daddy showed me
Back before this land of mine
On the blue side of the mountain
Where the sun don't ever shineSo deep and dark like a hurtin' down in my heart
Maybe somethin' there will show me some kind of sign
On the blue side of the mountain
Where the sun don't ever shineI'm going back to a world of shadow
Gotta find some peace, for I lose my mind
On the blue side of the mountain
Where the sun don't ever shine
