

# Kisha

## Lil' Wayne

[Lil Wayne]

Got a early call from Kisha  
Kisha wanted me to meet her  
She said she thought it was time to make the relationship get deeper  
Said cool then I'm gone be there  
What would be a good time to reach ya  
She said what about ten but I thought eleven would be sweeter  
Cause she wanted me to see her  
Said I needed a teaser  
But shit who got the keys to my Beamer  
I rolled me up a blunt and got the Crystal out the freezer  
I hopped in the two seater  
Left Ne-Ne with Macita  
Vroom speed up run faster than a cheetah  
Only thing on my mind is how I'm gone get all in this cheap slut  
Should I use a rubber cause I heard she was a freak  
They say she keep it cleaned up  
But I don't want HIV brah  
Take her straight to the sheets  
Her name's on my beeper  
I called her on the Nokia  
And told her come pick me up  
As soon as I got in the house she got on her knees and grabbed my penis  
Ate it up like some peanuts  
I said oh Kisha  
This what I got to meet her  
She drunk it like a 2 liter  
She blow like a pro  
Oh no I got to keep her  
Told her I'd be back about eleven I'm gone creep her  
But don't go to sleep  
I got some more meat to feed ya[Turk]  
Now I'm hot  
I wonder was up with Kisha tonight  
I'm gone give her a call  
See if it's alright  
For me to dip through  
She said it's all gravy  
First I got to get somebody to watch my baby

Baby it's all good  
I'll be there in a minute  
She didn't know I knew Wayne was already hitting it  
Soon as I pull up I see my dog running out  
He saw me dipping in but he didn't know what I'm bout  
Soon as he pulled off  
I knocked on the door  
Saying to myself look at this dog ass hoe  
Its cool what you do  
You know I like my shit sucked  
For you to swallow the cum and put ice on my nuts  
Caught my nut now I'm up  
I'm gone holla at ya Kittie  
I got studio tonight me and the H-Beezey  
I can't be late  
I'm gone see ya when I could  
Here's Juve on the hip  
Let 'em know it was all good[Juvenile]  
Oh oh there she go  
On the way to the corner store  
Lil Turk let me know  
We done fucked the same bitch before  
Say lil mama where you headed  
She told me forget it  
Hop in the back seat of my car and she spread it  
Say baby slow down I don't wanna fuck ya first  
I want you to suck on my dick until my nuts will burst  
She was a fool with it  
She said she had a good teacher she went to school with it  
Cause she knew what to do with it  
I didn't want the bitch to have my car smelling  
So I took her in the alley with some K Y Jelly  
Pull your shorts and your draws down to your knees  
Put the rubber on the dick handle that please  
I hit it she sucked it  
Hit it she sucked it and sucked it  
I got tired of the pussy and now I said fuck it  
Say boo I gotta ride  
My baby momma beeping me and she stay way on the other side  
I hit B.G. on the celly  
And told him that the bitch was all good and you have it not to telly[B.G.]  
Bitch hold on do I know she fucked three of my dogs  
I caught her walking out the alley down by the mall  
She fucked Wayne, Juve, Turk I know she ain't got no walls  
But they told me she'd do a damn job on them bolls

She provided the number later on gave her a call  
Told her what I was thinking and she was down with it all  
Can't deny it she was a fool kept that dick standing tall  
What she'll do to a nigga she'll be against the law  
That's how Hot Boys play it when we finish we toss  
Baby when you finish Manny Fresh down the hall  
After this episode that hoe won't be able to walk  
After two or three steps that hoe might fall  
Now you know then Hot Boys sad ha  
Get in the bitch head  
End up doing something bad ha  
Kisha got did right yeah  
Fucked the whole Cash Money click all in one night yeah
