Beautiful Sky

Katja Maria Werker

Oh tonight, shines down a guiding light
Showing a former life when we felt so alive
In a sea of light swimming before my eyes
Hold on to what is right, open your open mindOh no, please, don't let me go
No, please, don't leave me here
To grieve innocent timesIn the beginning, I felt we were living
I felt so alive under beautiful skiesOh, tonight slip in and out of life
Yet feeling so alive, lost in the sea of lightOh no, please, don't let me go
No, please, don't leave me here
To grieve innocent timesIn the beginning, I felt we were living
I felt so alive under beautiful skiesOh no, please don't let me go
No, please, don't let me go
No, please, my beautiful skiesIn the beginning, I felt we were living
I felt so alive under beautiful skies
