One Life Away

M. Ward

To all the people underground
Listening to the sound
Of the living people walking up and down the gravesWell one of them is mine
I visited my Fraulein
She's only one step awayTo all the people underground
Listening to the sound
Of the living people breathing the air todayWell one of them is mine
I'm visiting my Fraulein
She's only one breath awayAnd I say...Too all the people underground
Listening to a sound
Of the living people living their lives away
Well one of them is mine
I visited my Fraulein
She's only one life away
She's only one life away
