

# Smack Dab In the Middle

## Joe Williams

Pick me a town in any clime  
Where people like a rockin' time  
And stay awake both day and night  
Till everybody's feelin' good an' right  
Then throw me smack dab in the middle  
I wanna be smack dab in the middle  
Ah, smack dab in the middle, boys now  
So I can rock and roll to satisfy my soul  
Ten Cadillacs, a diamond mill  
Ten suits of clothes to dress to kill  
A ten room house, some BBQ  
And fifty chicks, not over twenty-two  
Then throw me smack dab in the middle  
Oh I wanna be smack dab in the middle, ah now boys  
You can see why I wanna be smack dab in the middle now  
So I can rock and roll to satisfy my soul  
One hundred beds with chorus girls  
A street that's paved with natural pearls  
A wagon load of bonds and stocks  
Then open up the door at Fort Knox  
Then throw me smack dab in the middle  
I wanna be smack dab in the middle, ah now listen boys  
Throw me smack dab in the middle right now  
So Ray can rock and roll to satisfy his soul, that's all right  
A lot of bread and gangs of meat  
Oodles of butter and somethin' sweet  
Gallons of coffee to wash it down  
Bi-carbonated soda by the pound  
Then throw me smack dab in the middle  
I picture it, smack dab in the middle  
Ah, throw me now, smack dab in the middle right now  
So I can rock and roll to satisfy my soul, alright
