

Beautiful Lie

Yoav

yesterday, today, tomorrow
fade away like frozen photographs
member, forget
the stakes, the ways you take
the ways you make the moments pass
for every regret, i tell a beautiful lie
and i would die if you find out
i tell a beautiful lie every time that I..did not open up my mouth
all the same, it's a game, it's a play, it's a war, it's a shame that we're
always fighting' for, i don't mean to cast no blame
i don't intend to pretend, i could, never loved you more
but in the blink of an eye, everything you ever knew can change
and it's a beautiful lie, if you think everything will always stay the same

(*intermission*)

babe, my babe??.you got a secret, its starting to show
my babe, sweet babe,
how long can you keep it??
how far would you go??

you tell a beautiful lie
you tell a beautiful lie

and its going to, it's going to drive you crazy

babe, my babe??. its starting to show
my babe, sweet babe,
how far would you go, go, go to tell a beautiful lie?
yesterday, today, tomorrow
fade away like frozen photographs
member, forget
forever lie
