

Evil

VAMPS

Calling out to me... Calling out to me...
I rise up from an illusion... I'm before your eyes
Awakened by your corrupt desires
Were you lonely without me there?
Your sense of justice concealed true evil
In your heart, breeding me
Growing inside, your desire to kill
There's no turning back.
Come to hell with me!
Burning outside, breaking under my will
There's no fighting back.
Now your new God is me! Pray! You called out my name!
You called out my name! Calling out to me... Calling out to me...
Your delusions - free... I'm before your eyes
Enforcing your laws, the pressure's rising
That's the reason you called me here
Abuse of justice turns into evil
You have started to change
Growing inside, your desire to kill
There's no turning back.
Come to hell with me!
Burning outside, breaking under my will
There's no fighting back.
Now your new God is me! Pray! You called out my name!
