

# We Are The Others (New Ballad Version)

## Delain

I'm walking with Sophie tonight,  
She lives in the air that I breathe;  
    I can't get it out of my mind  
    How you were left to bleed  
    Was it how you dressed?  
    Or how you act?  
    I can't believe  
How they could act so violently,  
    Without regret,  
Well, we will not forgetWe are the others,  
    We are the cast outs,  
    We're the outsiders  
    But you can't hide us,  
    We are the others,  
    We are the cast outs  
You're not out there on your own  
    If you feel mistreated,  
    Torn and cheated,  
    You're not alone,  
We are the others (we are the others)As simple as air in your lungs  
    As simple as words on your lips  
    And no one should take that away  
    No one should argue this  
    Now with our heads up high  
    We'll carry on,  
    And carry out,  
And we won't let them get us down,  
    Wear us out,  
'Cause we are not aloneWe are the others,  
    We are the cast outs,  
    We're the outsiders  
    But you can't hide us,  
    We are the others,  
    We are the cast outs  
You're not out there on your own  
    If you feel mistreated,  
    Torn and cheated,  
    You're not alone,  
We are the others (we are the others)Normal is not the norm,

It's just a uniform  
(We are the others)  
Forget about the norm,  
(We're the outsiders)  
Take off your uniform,  
(We are the others)  
We are all beautiful,  
(We are the others)We are the others,  
We are the cast outs,  
We're the outsiders  
But you can't hide us,  
We are the others,  
We are the cast outs  
You're not out there on your own  
If you feel mistreated,  
Torn and cheated,  
You're not alone,  
We are the others (we are the others)  
We are the others (we are the others)  
We are the others
