

Never Gonna See You Again

Urban Cone

Follow me
I'm moving on
I'm moving to the place that i've been dreaming of
Follow me
I'm moving on
I'm moving to the place that i've been dreaming of
I'm blacking out, every time
Beacuse i don't know what to tell you
I'm blacking out, every time
All of the lights are glitching
And it feels like
I'm never gonna see you, never gonna see you again
It feels like
I'm never gonna see you, never gonna see you again
Baby, it feels like
I'm never gonna see you, never gonna see you again
It feels like
I'm never gonna see you, never gonna see you again
