

# Winner At a Losing Game

## Rascal Flatts

Baby, look here at me  
Have you ever seen me this way  
I've been fumblin' for words  
Through the tears and the hurt and the pain  
I'm gonna lay it all out  
On the line tonight  
And I think that it's time  
To tell this uphill fight goodbye[Chorus:]  
Have ever had to love someone  
That just don't feel the same  
Tryin' to make somebody care for you  
The way I do  
Is like tryin' to catch the rain  
And if love is really forever  
I'm a winner at a losin' game I know that baby, you tried  
To find me somewhere inside of you  
But you know you can't lie  
Girl, you can't hide the truth  
Sometimes two hearts  
Just can't dance to the same beat  
So I'll pack up my things  
And I'll take what remains of me[Chorus] I know that I'll never be the man that you need or love  
Yeah, baby it's killin' me to stand here and see  
I'm not what you've been dreamin' of[Chorus] Oh, oh, if love is really forever  
I'm a winner at a losin' game  
Ooo, I'm tired of losing  
Oh, oh, oh
