

# Go and Sin No More

Rebecca St. James

I've sinned, come on my knees  
For I'm not worthy of Your love  
How could You die for me  
Such grace could only come from God Oh Lord, You search and You know me  
You see me inside out  
God, You alone can forgive me  
Erase my fear and my doubt Father, You pick me up  
I feel like a child in Your arms  
I don't deserve this love but  
I hear Your voice, Lord Jesus Go and sin no more  
He said, "I will not condemn you  
I'll forgive and I'll forget it all Go and sin no more  
"My child let me remind you it is I  
Who'll lead and guide you as you go" You are my purpose  
You are the reason that I live  
I want to be like You  
Help me to love and to forgive God, let me not be distracted  
Lord, help me focus on You  
Keep sin from ruling my life  
Lord, make me holy and pure Father, You pick me up  
I feel like a child in Your arms  
I don't deserve this love but  
I hear Your voice, Lord Jesus Wipe, wipe away  
Take, take away  
Break, break away  
Fill my life, make it right  
Father, help me  
Father help me go He said, "I will not condemn you, no"  
Go and sin no more  
"My child let me remind you it is I  
Who'll lead and guide you as you go" I've sinned, come on my knees  
How could You die for me  
You search my heart  
Know my thoughts See me inside out  
And all throughout me  
You alone can forgive me You always pick me up  
Like a child in Your arms  
I could stay with You forever here
