

Thief in My Bedroom

[David Allan Coe](#)

There's a thief in my bedroom but I'm not afraid
Thieves all get caught by mistakes that they've made
This one has torn my emotions apart somebody's stealing my heart Well somebody's kisses are wet on my lip
somebody's face is at my fingertips
Somebody's holding me tight in their grips somebody's stealing my heart
[fiddle]
There's a thief in my bedroom...
[guitar]
Well somebody's kisses...
[fiddle]
