

# How To Love Again

## All 4 One

you look so loney just standing there  
hurting from love  
you smile but cannot hide the pain of losing too much  
i know your heart's been hurt so many times  
and you don't want to fall in love again  
let me dry each tear you cry  
i'll show you how to love again  
just take my hand and we'll fly away  
chase all our dreams  
just close your eyes and let me take you  
to places you've never seen  
i know your heart's been hurt so many times  
and you don't want to fall in love again  
let me dry each tear you cry  
i'll show you how to love again  
so when you're feeling strange, afraid or insecure  
let me be the one to take your hand  
and leave you safe and warm  
i know what you're thinking  
that you've heard it all before

and if you don't believe i mean what i say  
then baby walk out that door  
i know your heart's been hurt so many times  
and you don't want to fall in love again  
let me dry each tear you cry  
i'll show you how to love again  
i know your heart's been hurt so many times  
and you don't want to fall in love again  
let me dry each tear you cry  
i'll show you how to love again  
hurt so many times  
and you don't want to fall in love again  
let me dry each tear you cry  
i'll show you how to love again  
let me dry each tear you cry  
how to love again  
hurt too many times  
and you don't want to fall in love again

let me dry each tear you cry  
i'll show you how to love again
