

Leave the Lights On

Jewel

I like your smile
Don't like complication
I like your style
Don't like calculation
Come towards me, dear
There's something you need 2 hear[Chorus]
I said If you want my love
You can try my love
You can't buy my love
Just take my hand
If you want me, dear
Then just beckon, dear
And I will appear
I said-you can leave the lights on
You can leave the lights onI believe in love, dear
Without limitation
Believe in being clear
2 avoid aggravation
If you want me 2
I will exist just for you[Chorus]I will mesmerize with milky thighs and languid eyes,
I'll prophesize your moans and sighs
Just look at me sacredly, religiously, hungrily,
Let your eyes say, "Please," I will not leave[Chorus]
