

Vienna

The Shadowboxers

How long?
How long? Catch me if you can
I'm leaving soon
I don't know how this goes
Free from blue
Like birds against the moon
I don't know how this goes
When I was a young boy
I was told to find you
Something there inside me
Making up my mind on you Vienna
How long?
Vienna
Streets all lined with trees
Long lines for news
Could I be coming home?
Weathered hands
With nothing left to prove
Could I be coming home?
When I was a young boy
Longing for the day break
Something there inside me
Kept me from the heartache
Was it you? Vienna
How long?
Vienna
Vienna
How long?
Vienna
Vienna
How long?
Vienna
Vienna
How long?
Vienna
