

Again and Again

Dave Matthews Band

[Verse 1]

Ooh, mama, save me, save me

Mama, bless me to my bones

You have started the fire

Ooh, I'm weak now in my soul[Pre-Chorus]

With your poison sting

This is deep and true

I'd do anything

Your sweet perfume

You bleed

Till the well is overflown You're my gold, my hunger

Where you go, I will follow

Sweet poison sting

I see the light

I see everything in you tonight

I breathe

[Chorus]

In and out here we go, oh oh

Over and again and again

Oh and the love you give to me

Here mama, I'ma give it back to you All the stars in the sky so beautiful

In your eyes shine, shine[Verse 2]

Reaching out, reaching out for you

Just to kiss your mouth

Wanna turn you inside out

Isn't such a thing

As you do to me

Your sweet poison sting

Let's me see

I'll be your king 'cause you are my queen

[Chorus]

In and out here we go, oh oh

Over and again and again

And all the love you give to me

Mama, I'ma give it back to you[Bridge]

Oh, don't let it get away

And if we did, we gonna get it back

All in time you and me

We will, we will, we will, we will be[Chorus]

Over and again and again
Oh and the love you give to me
Mama, I'ma give it back to you[Interlude][Chorus]
Turn around here we go, oh oh
Over and again and again
All of the love you give to me
Mama, I'ma give it back to youOh and the love
That you ever had I give it back to you
Again
Mama, I'ma give it back to you
