

Outlaw

Manowar

I'm a stranger in town and my gun's never cold
I'm a gambler, so bet on your life
You'll never live to grow old I deal in lead, I won't step aside
Where trouble's waitin', well, so am I
I live for the fight, the thrill of the kill
Paid in gold for the blood I spill Outlaw outlaw outlaw ride
Into the west, a gun by your side
Hell and glory, honor and pride
A gun will decide where the outlaws ride The law of the west was the law of the gun
Shoot and be fast, live on the run
Stay alive, be fast on the draw
Live by the gun or die by the law Outlaw outlaw outlaw ride
Into the west, a gun by your side
Hell and glory, honor and pride
A gun will decide where the outlaws ride Shot through the heart in the blink of an eye
Buried up on boot hill
Life is cheap when the bounty is high
So be ready to kill The law of the west was the law of the gun
Shoot and be fast, live on the run
Stay alive, be fast on the draw
Live by the gun or die by the law Shot of whiskey, I'll be on my way
Back in the saddle, pull on the reins
Spurs to the beast over the hill
Another town, one more kill Outlaw outlaw outlaw ride
Into the west, a gun by your side
Hell and glory, honor and pride
A gun will decide where the outlaws ride Outlaw outlaw outlaw ride
Into the west, a gun by your side
Hell and glory, honor and pride
A gun will decide where the outlaws ride Outlaw outlaw outlaw ride
Into the west, a gun by your side
Hell and glory, honor and pride
A gun will decide where the outlaws ride Outlaw outlaw outlaw ride
Into the west, a gun by your side
Hell and glory, honor and pride
A gun will decide where the outlaws ride
