

# She Could Be

Christian Bautista

She comes inside, been playing football with the guys  
She's all high fives and dirty footprints on the floor  
Next thing I know, she's hanging out  
She's got her dress and high heels on  
And we're alone, I couldn't ask for nothing more And I love, I love the way  
A simple smile reveals it all  
She calls my name She could be all I'm ever gonna need  
She's like a beauty queen in just her t-shirt and her jeans  
She could be just the one I've waited for  
Could be a perfect score and more  
She could be, she could be, she could be, hmm, hmm It's Friday night and while the friends are home by nine  
We hit the show, tip the bouncer, skip the line  
Next thing I know we're out the door  
And now she's dancing in the rain, a fragile flame  
Under the pale blue colored light Oh, I love the way  
This girl is not afraid to fall  
She calls my name  
She's callin' out to me She could be all I'm ever gonna need  
She's like a beauty queen in just her t-shirt and her jeans  
She could be just the one I've waited for  
Could be a perfect score and more  
She could be, she could be, she could be One in a hundred million, a secret the world's been keeping  
The music that keeps repeating, keeps repeating inside your mind  
An angel on your shoulder that makes you kind of bolder than you dare  
And you want to take her everywhere, could be, yeah, yeah Oh, she could be all I'm ever gonna need  
She's like a beauty queen in just her t-shirt and her jeans  
She could be just the one, just the one I've waited for  
Could be a perfect score and more  
She could be, she could be, she could be, yeah She could be all I'm ever gonna need  
She's like a beauty queen in just her t-shirt and her jeans  
She could be just the one I've waited for  
Could be a perfect score and more  
She could be, she could be, she could be, she could be
