

Love Rocket

Chris Brown

im fly in the sky ,
outer space our satellites
wanna take a, a little ride
on your rocket yeah yeah your rocket.hit it for the milky way your big surprise,
looking for the sugar rush I,
are you the guy
to light it, if was invited.
so tell me how bout it yeah .definition of a freak yeah,
lets do something crazy yeah,
i want you and you want meeeeeee.
and i don't need[chorus]
your chain your bling
it don't mean shit to me
just keep your money in your pocket
everything up in here out
no fake I.D
just keep it real with me
you know you want me
boy just stop it
let me hop on your love rocket
noooooooooow
let me hope on your love rocket
noooooooooow
let me hope on your love rockethow do, i say to you
that you are my one and only
never leave me lonely
put your body on me
and hold me close yeah
lets take off to a place we never been
and make love all night til the morningme girls tell me get him now
me have to catch him now
me say me want to see you comfortable anything to see you smileand make you smile
and make you smile
i said me want to see you comfortable and make you smile
and make you smile
and make you smile
but i don't need to much[chorus]
your chain your bling
it don't mean shit to me

just keep your money in your pocket
everything up in here i own it
no fake I.D
just keep it real with me
you know you want me
boy just stop it
let me hop on your love rocket
noooooooooow
let me hop on your love rocket
noooooooooow
let me hop on your love rocket
Ooooooh Oooooh
Whooooa Whooooa
wadada dang
wadadadada dang
wadada dang
da dang dang dangme have to see-E
me have to see us go up
me have to see-E
me have to see us go up
our rocket ship go up
our rocket ship go up
our rocket ship go up yeahlove the rocket love love the rocket
love the rocket love love the rocket
love the rocket love love the rocketlove, love
love, love (yeeaaah)[chorus]
your chain, your bling
it don't mean shit to me
just keep your money in your pocket
everything up in here i own it
no fake I.D
just keep it real with me
you know you want me
boy just stop it
let me hop on your love rocket
noooooow
let me hop on your love rocket
noooooow
let me hop on your love rocket[chorus]
your chain, your bling
it don't mean shit to me
just keep your money in your pocket
everything up in here i own it
no fake I.D
just keep it real with me

you know you want me
boy just stop it
let me hop on your love rocket
noooooow
let me hop on your love rocket
noooooow
let me hop on your love rocket
