

# Make Me Say It Again Girl (Part 1 & 2)

## The Isley Brothers

Oh, I believe you are a rainbow  
You are the heaven I need to see  
You're the promise everlasting  
Where you are I hope to be  
Make me say it again girl  
    Make me say it again girl  
    Make me say it again girl  
    You're all I need  
        Oh yes you are  
        You're all  
            All  
        You're all I need  
        Oh yes you are  
        You're all I need  
Whatever pain's inside, you make it better  
    You make me realize that I'm concerned  
    You are the only one who goes through the changes  
Given my life direction when I am torn  
    Make me say it again girl  
    Make me say it again girl  
    You're all I need  
        Oh yes you are  
        You're all  
            All  
        You're all I need  
        Oh yes you are  
You're all I need  
    Why am I worthy of love from an angel  
        Princess imperial of my soul  
    Don't really matter if you choose not answer  
        Hopin' that what I real you already know  
            Make me say it again girl  
            Make me say it again girl  
    Make me say it again girl  
    You're all I need  
        Oh yes you are  
        You're all  
            All  
        You're all I  
        Ooh ha hoo hoo  
    You're all I need  
        I love you you  
            I love you girl  
            All  
        You're all I
