

You Ain't Me

Frank Black

Standing in the light
You're so self-congratulatory
So I guess you have the right to be so masturbatory
And like a man with his pet
You always seem to forget That you ain't me
You ain't me
You ain't me
No, you ain't me Did you include the question mark?
When I answered you were totally shocked
You looked at me like I was a Snark
While your head was extremely mentally blocked
I'm the guy from Wonderland
And you could never understand That you ain't me
You ain't me The money has been spent
I'm not saying it hasn't been earned
The customers have paid
I'm just feeling kind of burned
Tell me where have you been
Oh, black-eyed mannequin You ain't me.
