

# Sally Ann

## Mark Geslison

A woman of beauty  
A woman of pain  
In France or Jakarta  
Her shadow's the same  
You go home with Sally Ann  
You go home with Sally Ann  
You go home A woman of kindness  
With bracelets of jade  
In China, in Japan  
Choices are made  
You go home with Sally Ann  
You go home with Sally Ann  
You go home A woman of chances  
With no family or friends  
In Argentina  
She knows only men  
You go home with Sally Ann  
You go home with Sally Ann  
You go home A woman of color  
With debts to be paid  
In Trenton or Detroit  
She lives by the blade  
You go home with Sally Ann  
You go home
