The Mechanism

Disclosure

So one of the things I need y'all to do for me is you gotta know that it's coming. And once you know it's coming, once you know it's coming, stay in the zone. Stay in your body. Increase your maximum level. It's one simple reason
The mechanism of incessant, incessant, habitual conceptualization. Creation of ideas, goals and frameworks that are turned over. Completed, to the friend within
You know it's coming
