One Woman Army

Kate Earl

Never knew what I was signing up for
Knew it was hard but not this hardcore
Never gonna stop, never gonna give up on you
No matter what I do

(Chorus)
Here I am baby, Iâ€™m your one woman army
Iâ€™d fight for you, Iâ€™ll die, Iâ€™ll be your protector
Here I am baby, Iâ€™m your one woman army
No matter what may come, I wonâ€™t surrender

Wanna give you everything I never had
Love you and teach you good from bad
Never gonna stop, never gonna give up on you
No matter what I do

(Chorus)
Here I am baby, Iâ€™m your one woman army
Iâ€™d fight for you, Iâ€™ll die, Iâ€™ll be your protector
Here I am baby, Iâ€™m your one woman army
No matter what may come, I wonâ€™t surrender

What I do, I do for you the best I can
Build a life for you with my own two hands
Never gonna stop, never gonna give up on you
No matter what I do

(Chorus) X3
Here I am baby, Iâ€™m your one woman army
Iâ€™d fight for you, Iâ€™ll die, Iâ€™ll be your protector
Here I am baby, Iâ€™m your one woman army
No matter what may come, I wonâ€™t surrender
